Life as a horse has its ups and downs.

No horse is truly evil, but horses will do evil things when their masters tell them to.
Same goes for stupid things.

For example ...
...When my pauper master tried stealing 900 bricks of the king's gold by smuggling it under a cart full of hay.

"It's too heavy," I tried to tell him.
"There's no way this is going to work!"

But what would I know, eh? After all...
I'm just a stupid horse!
